

### **SPECIAL TABLE SPONSOR RAFFLE**

Once again we have a very special raffle for our table sponsors. The cost this year is \$100.00 per table. Each Table Sponsor will receive a special raffle ticket for each table they sponsor. Each Table Sponsor raffle ticket will have a table number used as the ticket number.

This year the winning table will receive, **One rifle for every person seated at that table !!!!!** That's TEN new rifles for that table!!!! This year the table sponsor will win a Weatherby Vanguard magnum rifle for themselves; the remaining people seated at that table will receive an in-line .50 cal. muzzleloader. Remember, this drawing will be held by the table number; if you sponsor multiple tables, only **one** of the tables will win. In the event the table sponsor is not seated at the winning table, we will award the Weatherby Vanguard rifle to the sponsor, wherever that sponsor is located at the banquet, and an additional muzzleloader to the tenth person at the winning table. This includes committee members who sponsor tables but are working the banquet and do not have a seat at a table. There will be some other additional prizes for Table Sponsors. Remember that sponsoring a table does not reserve a table in advance; you must complete all the applications and provide a table list to ensure your group sits together. This raffle may have winners sitting at a table not completely filled by a table sponsor; each person at that table wins a gun regardless of whether they were not part of the table sponsor group. Remember all seats are assigned and we will verify that the winners at the table are assigned to that table.

**This is the premiere fundraising banquet in the area. If you have never attended before , now is your chance!! More guns, more prizes, more chances to win than any banquet you have attended before!**
